BODAKDEV SCHOOL FOR CHILDREN

(An Independent Preschool
Managed By Udgam Consultancy)

NCERT Based Preschool Curriculum

About Us

Bodakdev School for Children is a preschool started with an initiative to impart quality education to children in the prime Bodakdev area. It is managed by Udgam Consultancy that has an experience of more than 5 decades of managing schools.

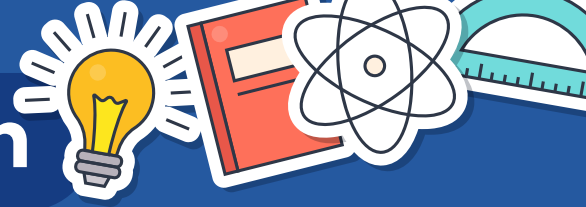

The aim of the school is to create a strong foundation of academic excellence in children. With this in mind, learning concepts are taught through PLE as well as experiential learning. It also helps in developing fine and gross motor skills. Apart from the regular curriculum prescribed by NCERT, the school also covers spoken English, social skills, etiquettes and oratory skills and ensures the participation of every child in all its activities.

In less than four years of its existence, the school has managed to make its presence felt in the city among reputed educational institutions. It is currently ranked as one of the top ten preschools in Ahmedabad. Bodakdev School for Children continues to nurture pre-schoolers with love, attention and care, thus moulding them to be independent learners and inspiring creativity and critical thinking.

Our Mission

Bodakdev School strives to provide a safe, homely environment to nurture young children with active, creative minds with the courage to act on their beliefs with a sense of understanding and compassion for other. The school emphasizes on the holistic development of each child's spiritual, moral, intellectual, socio-emotional and physical ability.

Parent's Testimonials

We are delighted that we choose BSFC for our child. We are incredibly thankful to the staff for your co-operation and support towards our child. My daughter Pranali is very happy and feels comfortable with the teachers because of their caring nature

Minoli Patel

Niaara has an excellent improvement. She speaks well in class. I just wanted her not to be afraid of public speaking. Thank you so much, Deepika ma'am and Jayeeta ma'am.
